PARADE RULES AND REGULATIONS

This informational packet is your guide to participating in the 2010 Juneteenth Parade, however returning the application does not guarantee your acceptance into the Annual Parade. Applications are reviewed for their entertainment value. Juneteenth Parade Committee decisions regarding all entries are final.

The following rules and regulations apply to all Annual Parade applicants:

1. Entries must observe all applicable rules and regulations along with police and /or parade officials, or be barred from the parade which will jeopardize their future invitations to the Annual Parade. The Juneteenth Committee reserves the right to withdraw any unit of which costume or performance does not meet parade rules and regulations, or conform to the standards of reasonable public taste. Appropriate dress is required. Please remember children will be present along the parade route.
